Dear Isreal:

I have just received your letter, asking for the salary advance, and I am enclosing it.

I told you in the last letter where we would pick you up on our way to camp.

I do hope you and your family are well, and you have a good year. All The Eagles are out of the service now, so we should have a good team. I haven't seen Day yet, but I heard he was discharged yesterday. He was the last one to get out.

If you have any information that you think we could use for publicity about yourself, send it to me.

Baseball equipment is very hard to get, so if you need anything let me know and I will try to get it for you. We are leaving for camp in just two weeks, so let me hear from you right away if you need anything.

Very Truly Yours
